## AWARD WINNING COMMUNITY

Forty-some years ago, Mission Viejo had a vision for a new community just south of Denver. This new master-planned residential community called Highlands Ranch was a large proposal that included several major streets, multiple schools, four recreation centers, thousands of acres of open space, community parks, a business park as well as a town center and public library.

The first phase of construction and formation of the Mission Viejo/Centennial Water and Sanitation District in Highlands Ranch began in 1980. In 1981, the first families had moved into their new homes. By 1994, Highlands Ranch was recognized as the best-selling, master planned community in the United States. by Aurthur Andersen Real Estate Advisory Services.

Highlands Ranch is now an award-winning, thriving community known for its high quality of life. Residents enjoy daily amenities provided and maintained by the Highlands Ranch Community Association, Highlands Ranch Metro District, Centennial Water and Sanitation District and Douglas County. We are grateful for the work provided by these organizations in order to maintain a high quality of life for our residents. In a continued effort to provide residents with the best customer service possible, below is a list of primary services provided by each entity.

- Construction of major roads and infrastructure
- Installation and maintenance of landscaping and fences adjacent to major roads
- Installation of traffic signals and streetlights on major roads
- Construction and maintenance of parks and trails
- Snow removal along trails and sidewalks adjacent to major roads
- Youth and adult outdoor recreation and sports programs
- Senior programs and activities, as well as operation of the future Highlands Ranch Senior Center
- Management and maintenance of natural open space areas within the community
- Construction of storm drainage facilities
- Water and wastewater services through a contract with Centennial Water & Sanitation District
- Community events and volunteer opportunities
- Operation of the historic Highlands Ranch Mansion

HIGHLANDS RANCH  
COMMUNITY ASSOCIATION

- Maintains four state-of-the-art recreation centers
- Provides architectural control and covenant enforcement

## A MESSAGE FROM THE GENERAL MANAGER

Spring in Colorado is a unique time of year. Because 2024 is a leap year, this year's spring equinox arrived early, on March 19, the earliest since 1896. Spring in Colorado is always quirky and unpredictable, much like a lottery drawing with daily temperatures that range from 8, 65, 13, 53 to 25.

Like in previous years, the Highlands Ranch Community Association (HRCA) is encouraging residents to do more by doing less...lawn mowing that is! "No Mow May", is a simple concept that recommends reducing the frequency of mowing during May. Skipping some or all turf trims for the month will reduce the water your grass needs. It's proven that taller turf develops a stronger root system enabling your lawn to withstand drought better when the warmer summer months arrive.

With the talk of water conversation comes the discussion of sod alternatives like Xeriscape, artificial turf and low-maintenance ground cover. Before diving into replacement and grass substitutes, visit Centennial Water's website at [centennialwater.org/rebates](https://centennialwater.org/rebates) to learn how to save money on your spring landscape projects.

I'm thrilled to announce that HRCA's Board was selected in March as noted below.

President Monica Wasden  
Vice President Dan DeBacco  
Vice President Todd Landgrave  
Treasurer Leo Stegman  
Secretary Jim Allen

Monica Wasden, Todd Landgrave and Leo Stegman will serve three-year terms, expiring March 2027. Dan DeBacco will serve a one-year term, expiring March 2025. A special thank you to our Board candidates for their participation in the election and their continued volunteerism that helps make HRCA one of the best community associations in the country.

I want to give a special thanks to Melissa Park for her fourteen years of service to HRCA. Melissa has been an incredibly active member of the Highlands Ranch community since beginning her service as chair of the Backcountry Planning Area Committee from 2010 - 14. She spent the next decade as a dedicated member of HRCA's Board of Directors. I would be remiss not to take the time to thank her for her enormous dedication to making Highlands Ranch a better place to work and live.

With spring in full swing and summer just around the corner don't forget about all the fun and exciting upcoming events HRCA hosts right in your backyard including the Highlands Ranch Farmers' Market, every Sunday throughout the spring, summer and fall, the Cans Festival and the Fourth of July Parade and Fireworks. Tickets for the 2024 Beer Fest go on sale Monday, May 6, the Summer Concert Series lineup is out now, and the 19th annual HRCA Car Show will be held on Saturday, June 1...to name a few.

For a full list of HRCA's 2024 summer events, please visit the HRCA events page on the website or scan the QR code.

HRCA continues year after year to strive to make Highlands Ranch a wonderful place to live. We appreciate all our residents and their ongoing efforts to make ours a top community within the state of Colorado.

My best,

Mike Bailey

## CENTENNIAL WATER REBATES

Spring is here which means it's time to get outside and play. And by play, we mean put on those garden shoes, pull up those gloves and let's start planning your summer landscape.

Centennial Water and Sanitation District offers numerous rebate and incentive programs for customers to take advantage of while prepping your yard for the summer irrigation season. Whether you're making sure those sprinkler heads survived the winter, considering replacing turf with xeriscape, or replacing your old controller, make sure you visit Centennial Water's website at [centennialwater.org/rebates](https://centennialwater.org/rebates) to learn how you can save money on your spring landscape projects.

The district is also rolling out three new incentives this spring. A soil test rebate, drip irrigation rebate, and one specifically for local landscapers who may be able to be reimbursed for green industry certifications (such as Certified Irrigation Technician, or Certified Landscape Irrigation Auditor)

Centennial Water and HRCA work closely together to serve Highlands Ranch residents. Visit Centennial Water and HRCA's websites for a variety of resources for your summer projects.

ASSESSMENTS & COMMUNITY IMPROVEMENT SERVICES

## GETTING READY FOR IMPROVEMENTS

May is here and many Highlands Ranch homeowners are pruning, fertilizing, planting and planning for exterior improvements to their homes and property.

If you are considering an exterior improvement, remember that your project requires a submittal to the Architectural Review Committee (ARC) for review and approval. For your convenience, Home Improvement Forms are located on our website.

Be sure to refer to our community's Residential Improvement Guidelines (RIGs) before submitting your request. The RIGs will provide general design requirements and what documents are necessary to include with your submittal. Scan the QR code for more information.

**PLEASE NOTE:** Incomplete submittals for projects can result in a **not approved** status. Therefore, please check that all your information is complete before submittal! If you have any questions, please contact HRCA's Covenants office

The Architecture Committee meets every first and third Wednesday of each month. Submittals are due by noon the preceding Friday to be considered for the following Wednesday meeting.

As the temperature increases, so does the number of submittals our office receives. Remember to give yourself ample time to have your improvement reviewed!

## PAINT SEASON

The Community Improvement Services (CIS) department is already busy with submittals from residents who want to change the paint colors on their homes, or just give their current colors a refresh. Whether you are repainting with your existing colors, or if you have decided on a new color scheme, the improvement still needs to be submitted to the Architectural Review Committee (ARC) for approval.

The CIS department does not have a list of 'pre-approved' colors for residents to reference, so if you are looking for something new, we recommend that you either submit the colors of your choice or drive around Highlands Ranch and collect two or three addresses of homes you like and contact our office. We'll research the information in our records for those addresses and give you that information.

## SUMMER FUN FOR ADULTS

Summer fun doesn't have to be just about your kids! Find something that relaxes, inspires or even challenges you during these summer months. If you're interested in getting in touch with your inner artist, consider Watercolor, Drawing, Painting and Sculpture, Art Journaling, Modern Calligraphy, Zen Doodling and knitting. These classes can be a wonderful place to gather with friends and make art. If dance is of interest to you, then try our adult Belly Dancing, Tap, or couples dances including Line Dancing and the New Millennium Cowboy Cha Cha. If getting your hands dirty sounds fun, then try one of our pottery hand building classes. Give something new a try this summer! For more information, please call 303-471-8853.

## ADULT SEMINARS

HRCA is offering a variety of adult seminars this summer. Try our popular Will Seminar, on Wednesday, May 8, where registrants get the opportunity to create a notarized will, power of attorney, medical power of attorney and living will from an experienced estate planning attorney. Our Living Trust Seminar will be held on Wednesday, May 1. We also have a Social Security 101 class on Tuesday, May 7. Join us to learn and grow this summer! For more information, please call 303-471-8818.

## CAMP CENTRAL

This summer we are offering a variety of fun camps for children of all ages and interests. Our Art and Education camps are beginning to fill, so now is the time to get enrolled. Drawing, painting, jewelry making and more will be part of our summer art camps and a series of Robotics, Engineering and Science camps are sure to challenge and delight your child too. Popular camps like KidStage's Robin Hood are also great considerations for your family. From tumbling and gymnastics camps to drama camps, cooking camps to itty bitty kid camps, there is something for everyone! Be sure to check out our camps section in our Activity Guide or on our website and download our summer camps guide for your reference. For more information, please call 303-471-8853.

## DIVE INTO FITNESS WITH AQUA CLASSES!

Dive into a refreshing workout experience with Aqua Fitness! Harnessing the buoyancy of water, this invigorating exercise routine combines cardiovascular conditioning with low-impact movements, perfect for all fitness levels. Whether you're aiming to tone muscles, improve flexibility, or simply enjoy a splash of fun, Aqua Fitness offers a refreshing twist on traditional workouts, leaving you feeling energized and rejuvenated. ## THE RECIPE FOR THRIVING KIDS IN THE BACKCOUNTRY WILDERNESS AREA

There's no lack of joy when kids play in the woods at Camp Backcountry, follow wildlife tracks at Wild Roots, and take their first trail ride at the Horse Corrals. But, it's not just happenstance that our local youth are thriving physically, mentally and socially when they spend time in wild places like the Backcountry Wilderness Area. Find out how time in the outdoors impacts our kids from local experts. For the entire story, head to our blog Backcountry Field Notes at [HRCABackcountryblog.org](http://HRCABackcountryblog.org).

## THREE PROGRAMS TO TRY IN THE BACKCOUNTRY WILDERNESS AREA THIS MONTH

**Sunshine and Storytime - Wednesdays and Saturdays from 10 - 11 a.m.:** Join us for a nature-themed storytime in the Backcountry Wilderness Area. Stories are different each week and will be themed based upon seasonal happenings. After the story, the Backyard will be open for nature play.

**Discovery Day - Saturday, May 18, 1 - 4 p.m.:** Discovery Days at Backcountry Base Camp give kids the chance to discover the wonders of nature in the Backcountry Wilderness Area! This immersive program is the perfect entryway to enjoying the wild outdoors. Our Discovery Day will include fort building and forest play in a special area of the Backcountry Wilderness Area called Fort Wild! Groups will be split up by age.

**Summer Kick-Off - Saturday, June 1, from 8:30 - 11 a.m.:** Bring the whole family for a morning packed with excitement at our Summer Kickoff event. Enjoy doughnuts and coffee while the kids are entertained by our pony rides, bounce house, scavenger hunt, live animal presentation and more! Scan the QR code for more information.

## SUMMER TENNIS CAMPS!

Summer is the time for kids to try something new, learn a new sport, make new friends, and have tons of summer fun! For kiddos between the ages of 7-13, HRCA has a four-day, summer tennis camp for them. These three-hour camps at Westridge and Southridge Recreation Centers run weekly from Tuesday, June 4 - Tuesday, July 30. Call the Tennis Desk at 303-471-8996 or check out our website [HRCOnline.org/Tennis](http://HRCOnline.org/Tennis) for the full schedule. We can't wait to see your kid(s) on the court this summer.

## YOUTH KICKBALL AND DODGEBALL LEAGUE

Join us in June and July for an exciting youth kickball and dodgeball league. Each month four afternoon sessions will be held for children to meet and play. This co-ed league is a great summer activity. Get your friends together and come out and play! Each player will receive a T-shirt for the monthly session. For more information, please contact Kodey Stauffer at [kodey.stauffer@hrcaonline.org](mailto:kodey.stauffer@hrcaonline.org) or 303-471-8838.
