Backcountry Wilderness Area

The Backcountry Wilderness Area—an 8,200-acre wildlife habitat conservation property surrounded by development and population growth—serves as a sanctuary for wildlife and a close-to-home access to nature for our community. Guided by the mission to improve wildlife habitat, inspire future nature stewards, and ignite a lifelong love for the outdoors, this area is minimally impacted by humans to provide essential refuge for elk, wild turkeys, coyotes, bluebirds, Golden eagles, and countless other species. Preserving this wild space is vital for wildlife and our community to thrive.

Camp Backcountry Overview

Camp Backcountry is built on a simple belief: kids thrive outdoors. Our full-day, week-long camps invite campers to explore the Backcountry Wilderness Area—hiking, building forts, riding horses, creating art, playing in the woods, and making new friends. With hands-on adventures and time to simply be outside, Camp Backcountry grows curiosity, builds memories, and inspires a lifelong love of nature.

Our Facilities

Located at 5,920 feet in the heart of the Front Range, our 8,200-acre campus serves as the ultimate learning environment. Our Base Camp facilities include outdoor learning spaces, a free play area with natural playscapes, learning garden, discovery trail and all of our barnyard friends. Just down the road from our Base Camp is our state-of-the-art archery range and horse corrals. Our horse corral facilities include four outdoor arenas, two round pens, shade tents with seating areas and spaces for games.

Early and Late Drop-Offs

Campers may not be dropped off for Camps at Base Camp before 7:30 a.m. or 7:15 a.m. for Horse Camp at the Horse Corrals.

If you know you are going to be late (dropping off after 9:30 a.m.) for Camps at Base Camp or 7:30 a.m. for Horse Camp at Horse Corrals please contact the camp office at campbackcountry@hrcaonline.org or 720-576-4245. In case their group has already left Base Camp, we can make arrangements to get your child out to their camp group. If you plan to pick up before 3 p.m., please let us know at drop-off so we can make arrangements to pick up your child out on their hikes.

Late Pick-up Policy

Although we enjoy spending the day with your kids, please be respectful of our staff's time and pick up your children on time every day. Be sure to take the traffic, weather, and road conditions into account when timing your arrival. No exceptions will be made to the policy.

Camps at Base Camp end at 4:30 p.m. each day, and 1 p.m. at the Horse Corrals. Pick-Up at Base Camp begins at 2:30 p.m. and 12:45 p.m. If campers are not picked up by 4:30 p.m. from Base Camp or 1 p.m. from the Horse Corrals, the following late fees will be assessed and must be paid before check-in the following morning (credit card only). Campers will not be admitted into camp until the late fee is paid. More than one instance of being more than 15 minutes in a week will result in a meeting with camp directors and a possible suspension or expulsion from camp.

Camps at Base Camp:

4:35-4:45 p.m. \$10 per camper

4:45-5 p.m. \$25 per camper

5-5:15 p.m. \$40 per camper

Horse Camp at Horse Corrals:

1:05-1:15 p.m. \$10 per camper

1:15-1:30 p.m. \$25 per camper

1:30-1:45 p.m. \$40 per camper

By 4:40 p.m., parents/guardians of remaining campers will be called. If unreachable, voicemail and text will be attempted. Emergency contacts will be called by 4:40 p.m. if there is no response by parent/guardian. If still no contact is made by 5:15 p.m., staff will contact the Douglas County Sheriff's Office and Douglas County Human Services to take over as mandated by State Childcare Licensing best practices.

Drop-Off & Pick-Up Information

What to Expect

What to Expect at Drop-off

Drop-off begins at 7:30 a.m. and runs until 9:30 a.m. Please do not arrive before 7:30 a.m., campers will not be signed in before 7:30 a.m.

We appreciate your patience on busy days. Please allow extra time at drop-off, especially on the first day of camp. When you arrive, park first and then visit the check-in table and look for signage for your camper's group. Staff members will be at the check-in table to make sure your child is prepared for their time at Camp Backcountry, answer any questions and check in any medications, EpiPen or inhalers children must have with them while at camp.

Please note, you will not be able to leave your child at camp without completed paperwork, including any required forms for EpiPen, inhalers, and other necessary medications. If you arrive at camp without completed paperwork or without the medications your child needs, you will be required to provide them and fill out the forms on site before leaving.

What to Expect at Pick-up

Pick-up begins at 2:30 p.m. and runs until 4:30 p.m. sharp. All campers must be picked up by 4:30 p.m. sharp. When you arrive, park first and then visit the check-out table and look for signage for your camper's group. Staff members will be at the check-out table to answer any questions you have, discuss your camper's day, and check your child out.

Each day during pick-up you will be asked to show your photo ID. If you authorize anyone other than a parent or legal guardian to pickup your child, you must add them to your authorized pick-up list in the CampInTouch online platform.

Leader In Training Camp Activities

Opening Ceremony

At the chime of the Camp Backcountry bell, the entire camp community gathers together on the first day of camp for the opening ceremony. Opening Ceremony is a time to learn camp songs and traditions, participate in friendly group competitions and community building activities, laugh at staff skits, and to create a sense of belonging for everyone.

Group Huddles

Each day during huddles, staff, LITs, and campers meet as a small group to discuss the day ahead, participate in a name game or team-building activities, share ideas and experiences, and greet one another. Huddle time creates a sense of belonging and helps the group focus on positive relationships and expectations. The goal for huddle time is to foster the group's sense of inclusion, teamwork, and community.

Backcountry Beads

Each LIT will receive a name tag necklace that they will decorate on their first day at camp, and then throughout their week(s) at Camp Backcountry, LITs will earn beads to add to their necklace that represent the different activities they did and experiences they had. By the end of their time at Camp Backcountry, LITs will be able to tell the story of their camp experience using the beads they've earned.

Mentorship

The LIT Program focuses on leadership development and prepares students for future jobs, whether as a counselor at Camp Backcountry or elsewhere. The Camp Backcountry Director and Assistant Directors will meet twice a week with all LITs to teach valuable skills, relevant to both the LIT program and life outside of camp. Skills covered might include knowledge on child development, the importance of play, use of positive guidance strategies, and how to write a resume and cover letter.

Unstructured Nature Play

Unstructured and immersive play in nature is a large part of what makes the camp experience so unique at Camp Backcountry. Every day campers have the opportunity to engage in true child-led outdoor play in nature.

In a world where childhood is overscheduled and overmanaged, and where milestones and achievements are prioritized over curiosity and creativity, the gift of a slow, nature-filled childhood is priceless. Staff will be actively supervising and guiding campers during this time, and LITs will serve as extra eyes and ears, while learning the art of inquiry based guidance.

Exploratory Hikes

We believe childhood should be filled with unhurried joy and discovery. Our exploratory hikes provide the opportunity for inquiry based learning focused upon each child's interests. We move at the camper's pace and stop regularly to investigate the world around us. We might look at animal tracks, break open scat to see what an animal was eating, catch grasshoppers, smell the Ponderosas, or watch baby turkeys we came across. Hikes might range in length from half a mile to three miles in length, depending on the group's needs, interests, and weather.

Group Games

We spend some time each day playing outdoor games in the fields and forest including camouflage, capture the flag, drip-drip-drop, water dodgeball, dragon tails, tracker tag, and park ranger. Groups might combine with other groups for some games. LITs are expected to lead some group games, and participate in ones being led by others.

Weekly Theme Activities

Each week has a unique underlying theme, with a handful of staff-led lessons taught on the theme. These lessons might include learning tracks and scat, creating an orientation course with compasses, building shelters, meeting live wild animals, smashing open geodes, practicing basic research skills, playing predator versus prey, or participating in the best Camp Backcountry tradition: Color Wars!

Closing Ceremony

The last day of camp culminates with a closing ceremony, full of Camp Backcountry traditions and a memorable way to end the week. Closing ceremony is the essence of Camp Backcountry, creating memories that will last a lifetime.

Sample Schedule

7:30–9:30 a.m. Drop off and Centers

After being checked in, campers start their day with a choice between free play, fort building, sand play, mud kitchen, chess or checkers, gaga ball, or drawing.

9:30–9:45 a.m. Group Huddles

Each morning, individual groups will participate in get to know you activities or community building activities.

9:45–10 a.m. Opening Ceremony (first day) or Hit the Trail (all other days)

We always take a bathroom break and fill up water bottles before hitting the trail.

10–10:15 a.m. Hike to morning destination

Hikes typically range from 1/2 of a mile to 2 miles depending on the destination. We change locations daily, typically frequenting Fort Wild, Coyote Cove, Old Tree Hollow, The Hideout, Tree of Life, and more.

10:15–10:30 a.m. Snack time & Intro Activity

After we arrive at our destination, we take a break to fuel up on a snack (brought from home). During snack time, a counselor may also provide the introduction to the art project of the day.

10:30 a.m.–12 p.m. Weekly Theme Activity

This will look different for each LIT whether they're at Horse, Nature, Art, or Girls of the Outdoors. Examples include helping campers tack horses, helping counselors lead a lesson, running a game themselves, and more.

12–12:30 p.m. Lunchtime

Lunch will look different depending on the location—campers might eat at picnic tables, on stumps, on wooden benches or even on a bed of pine needles nestled in the woods. Staff will have hand sanitizer for campers to use before lunch. Campers must bring a packed lunch from home, and all trash produced will be returned to the camper's lunch box to be packed out.

12:30–1 p.m. Group Game

The counselor will choose a game that involves moving and running if a group needs to get wiggles out after lunch, or a more stationary game if campers are tired from the morning hike and activities.

1–2:30 p.m. Unstructured Nature Play

Most important of all, campers get the opportunity each day to explore and relate with nature on their own terms. Campers choose what interests them, whether it's catching grasshoppers, following rabbit tracks, building forts, stomping in mud puddles or playing on a seesaw log. The possibilities are purposefully endless. The counselors serve as facilitators, actively supervising and guiding campers to question and learn about the world around them.

2:30–3 p.m. Hike Back & Group Huddle

The group will retrace their steps from the morning, returning to Base Camp, and will end the day with a huddle.

2:30–4:30 p.m. Pick up and Centers

Campers will end their day how they started it, with a choice activity in our Base Camp Backyard.

Camp Policies & Expectations

Camper Ages

Camp Backcountry accepts campers age 7-13 who are entering 2nd grade through 8th grades for our full day Nature, Horse-Nature, Art and Girls of the Outdoors, as well as our Half-Day Horse Camp. The LIT program is for teens age 14-17, who are entering 9th through 12th grades. To provide the best experience for all our campers, exceptions will not be made to the age restrictions. If you have a child who is entering the appropriate grade listed on the camp session, but who's birthday is too late to register for that session, contact CampBackcountry@hrcaonline.org for assistance.

Camper Behavior and Positive Guidance Strategies

Camp Backcountry has developed guidelines and expectations to ensure a safe and supportive environment for all campers. The Camp Directors work closely with staff to implement teaching strategies that encourage positive behavior, through use of positive guidance strategies. Staff are trained on setting boundaries, but never use punishments, rewards, or timeouts. Our staff is trained on the basics of child development, to ensure expectations set are age appropriate. If initial staff efforts to redirect challenging behaviors have failed, we will follow a 3-step process:

- 1) Conference with the parents to ensure we are all working towards the same goals for the child and come up with a support plan.
- 2) The child will be put on a behavior modification plan.
- 3) Suspension from camp.

The Camp Director reserves the right to suspend a camper for the remainder of a camp session or for the duration of the summer if the camper behaves in a way that is considered to be detrimental to the quality and best interest of the camp or other campers.

If your child has any known social, emotional or behavioral challenges, we encourage you to include this information on the online platform CampInTouch. No child will ever be discriminated against due to information disclosed. This information helps our staff provide the best possible camp experience for your child.

Special Needs

Our staff will work to the best of their ability to assist participants with special needs and we will make every possible effort to accommodate each camper on a case-by-case basis. Due to the outdoor and exploratory nature of Camp Backcountry, campers must be able to move around on uneven terrain. If you have questions about your child's ability to participate at Camp Backcountry, please contact our Camp Director: Becca Venable at 303-471-7054 or becca.venable@hrcaonline.org

Prohibited Items

- Knives and weapons
- Fire starting materials
- Spending money – We will have Camp Backcountry apparel and gear for sale throughout the week. Purchases can only be made by an adult with a credit card.
- Sporting Equipment – Campers wishing to use their own horseback riding helmet may do so, upon approval, bike helmets are not allowed while riding.

- Chewing gum – We want to keep your camper safe as they run and play. Additionally, gum is made of plastic and when left on the ground is litter.
- Use of electronic devices – We ask that all electronic devices are either left at home, turned off or silent and left in the campers backpack. This includes cell phones, smart watches with calling capabilities, iPods, iPads and tablets. If a camper needs to contact home for any reason, staff will facilitate this. If you need to talk to your child, please call the Camp Backcountry cell phone at 720-576-4245 and we will connect you with your child.

Personal Items

Please label your child's belongings. All personal items including water bottles, lunch, sunscreen, hats, and extra layers must fit inside your camper's backpack. Your camper will keep their backpack with them throughout the day.

Lunch

Pack a large, healthy lunch each day, avoiding lunchables, sugary snacks, soda, and energy drinks. In addition to a full lunch, please pack two additional snacks. We keep our campers active, and they tend to get quite hungry throughout the camp day! We encourage the use of reusable containers in your child's lunch. We practice a "pack it in, pack it out" mentality as we do not have any trash cans on property. Any trash produced from lunch or snacks will be put back in your child's lunchbox or backpack and sent back home.

Lost and Found

We hold all lost and found items for one week after each camp season. At this time, all lost and found items that have not been claimed will either be donated to our gear shed or to a local thrift store.

To help avoid your child's possessions from ending up in lost and found, please label your camper's name on everything that they bring to camp. It also helps if you allow your camper to help you pack their bag so they know what they have with them at camp each day.

Communication with Camp Backcountry

The camp team will keep you informed with any session information updates and reminders via system text and/or email. If you need to talk to a staff member working with your child, or talk to your child, please call the Camp Backcountry cell phone at 720-576-4245 and we will relay information or connect you with your child. If you have any questions prior to your child's camp session, please contact us at campbackcountry@hrcaonline.org.

Visitors at Camp

For the safety and success of all campers, visitors are not permitted during camp hours. Adults are limited to dropping off and picking up at designated times and may not accompany their child into the Backyard or activity areas. This helps new campers acclimate, build independence, and make friends more easily. If a camper is having a hard time during drop-off, our staff will pair them with a welcoming counselor and friendly returning campers to help ease the transition and ensure a positive start to their day.

Video Viewing

Videos and movies will only be shown when we are required to move indoors for an extended period of time due to severe weather. We aim to have all videos and movies be related to the weekly theme. All videos and movies shown will be G or PG rated and have been previewed and deemed appropriate before viewing.

Health & Safety

Camp Staff

Our number one concern at Camp Backcountry is the health and safety of your child. Our staff is a combination of outdoor educators, school teachers, and college students, who are qualified childcare professionals. All staff undergo multiple background checks, are certified in First Aid and CPR, and complete a week-long training in the areas of child development, group management, positive guidance strategies and outdoor group safety. Our camp staff are responsible for the health, safety, and discipline of campers when camp groups are working with outside contractors who visit Camp Backcountry. Camp Backcountry always maintains required staff to camper ratios, not including contractors from the special activity.

Sickness

We ask that you do not send your child to camp if they show or have any of the following symptoms within the past 24 hours: fever, vomiting, diarrhea, chicken pox, conjunctivitis, or any illness making it difficult to breathe. If your child becomes sick during camp hours with any of the above symptoms, you will be required to make arrangements to have them picked up immediately.

Immunizations

Documentation of school-required immunization status or Certificate of Medical or Nonmedical Exemption, is required by the Colorado Board of Health. Up-to-date school-required immunizations must be documented as specified on the Colorado Department of Public Health and Environment (CDPHE) Certificate of Immunization or on an "approved alternate" Certificate of Immunization. Colorado law requires proof of immunization status or exemption be provided prior to or on the first (1st) day of attendance to Camp.

Medication

We can only accept medications that are in their original packaging, not expired, labeled with your child's full name, and paired with the appropriate medication form signed by a doctor and uploaded to the CampInTouch platform. This includes all over the counter medications, prescription medications, and homeopathic remedies. If your child carries an EPI-Pen or an inhaler, you must have the Allergy/Asthma Action Plan form completed by a doctor and uploaded to the CampInTouch platform.

On the first day of camp all medications will be checked by staff at the check-in table for proper documentation and safe keeping. Medications will be locked up overnight and will be returned to the parent/legal guardian on the last day of the camp session.

Camp Backcountry is in compliance with the Nurse Practice Act and employs a nurse consultant that meets with our staff. The nurse meets all qualifications as directed by the Colorado Department of Human Services.

Hospital/Medical Emergency

You are required to provide your hospital of choice on the medical information section on the CampInTouch platform. Your child will only be transported to a hospital via ambulance in the case of a severe or life threatening injury. In the case of a less severe injury, the Camp Director or another staff member will contact you and you will be required to make arrangements to transport your child to the doctor or hospital, as necessary. Responsibility of any and all healthcare costs resulting from injury while at Camp Backcountry are the sole responsibility of the parent/legal guardian.

Food Allergies and Dietary Restrictions

Camp Backcountry staff will help to manage camper's food allergies and common dietary restrictions. To do this, it is pertinent that all allergies or restrictions are properly noted on your camper's medical forms on the CampInTouch platform. To minimize exposure to potential allergens, Camp Backcountry has a policy that campers may not share food.

Camp License

Camp Backcountry is licensed by the Colo. Dept of Human Services. The license indicates that the program has met the required standards for the operation of a childcare facility. Camp Backcountry follows all guidelines to ensure your child's health and safety. For more information, please contact the Colo. Office of Child Care Services at 303-866-5958. The Horse Camp arm of Camp Backcountry is not licensed and operates under CDEC's single skill exemption.

To file a complaint about this facility contact:
The Colorado Department of Early Childhood
Division of Early Learning Licensing and
Administration

710 S. Ash St. Denver, CO 80246 or call
303-866-5958 or 1-800-799-5876

Child Abuse

Colorado state law requires that childcare providers report any known or suspected cases of child abuse or neglect. If any camp staff member suspects child abuse or neglect they will report it to 1-844-CO-4-KIDS.

Weather

- **Rain** - We do not move indoors due to rain, unless it is accompanied by lightning or thunder. Please send your camper with a raincoat if rain is expected in the forecast. We like to say there is no such thing as bad weather, just bad clothing.
- **Lightning** - If a thunderstorm is approaching, we will immediately move to our emergency shelter. Camp staff communicate with each other and the Camp Director throughout the day to ensure all camp groups make it to shelter before a storm. If you see green traffic cones blocking our property entrance during pick up, turn and follow the cones up to the classroom building where you are able to pick up your camper. Horse camp parents: in the event of a thunderstorm if you do not see the campers at the Horse Corrals, follow signs to Base Camp.
- **Sun/Heat/Air Quality** - Activities that take place in the sun or in the heat that require a lot of movement will be minimized as necessary due to extreme temperatures. All staff are CPR and First Aid certified and are aware of the symptoms of heat exhaustion and heat stroke. We have shade structures and many groves of trees where campers may seek shelter from the sun throughout the day.

For safety purposes, hiking and horseback riding may be cut short on particularly hot days. We check and follow all air quality guidelines outlined by AirNow.gov. When necessary, we will move indoors.

- **Natural Disasters** - If there is an emergency or natural disaster like a fire, flash flood, or tornado, all camp groups will immediately proceed to the nearest secure location. As soon as it is determined safe, and if necessary, campers will be evacuated from the property. If necessary, parents/guardians will be notified to pick up their child from camp via text message or push notification via the Campanion app.

Emergency Procedures

In the event of an emergency, personnel will be notified if and when necessary, and parents will be contacted as quickly as possible. In the event that Camp Backcountry must be evacuated, campers will be moved to a safe location designated by Camp Backcountry. If campers are not able to return to Base Camp, parents/guardians will be contacted for immediate pick up from this location. If a child becomes separated from their group, our team will immediately implement emergency protocols to locate them. Parents will be contacted promptly if the child is not found within a short time frame, and additional support from local authorities will be sought at the Camp Director's discretion.

Transportation

If transportation is necessary, campers will be transported in the Camp Backcountry 12 passenger van, trucks, or a UTV. All campers are required to wear seatbelts while the vehicle is in motion. Every camper is required to have their own seatbelt. In case of an emergency while transporting campers, local services will be called immediately, followed by the Camp Director.

Attendance

The parent/guardian dropping off must check the camper in to camp each day at the check-in table. Staff will do a secondary attendance check once the child enters their age-based "classroom." Face to name checks will be completed by staff every hour of the day, or any time a group changes locations, to ensure the whereabouts and safety of every camper.

How to Register

To register for any of our Camp Backcountry sessions, please visit our website at CampBackcountry.org, click on the type of camp session you are interested in, then click "Register Now". You will need to set up an account with Highlands Ranch Community Association if you do not already have an account. Whether you live in Highlands Ranch or not, anyone may set up an account with HRCA and register for Camp Backcountry. To set up an account, call member services at 303-471-7020.

Required Paperwork

The online platform CampInTouch is a secure network that we use to collect personal, medical, and emergency contact information electronically for Camp Backcountry. Not only does CampInTouch streamline the paperwork process, but it also ensures we have a way to communicate with you in the event of an illness, injury, or larger scale emergency.

How it works:

- You'll receive an email after you register that links to our website with explicit directions on how to get started, whether you are a returning camper or not. Please note that returning camp families must go into CampInTouch and re-confirm all existing information.
- Contact Sami Dhainin at sami.dhainin@hrcaonline.org if you have any trouble or questions about completing your child's paperwork on CampInTouch.
- Your spot at Camp Backcountry is not secure until all paperwork is completed. All paperwork must be complete in order for your child to attend camp.
