Summarize your background and community involvement. What, if any, qualifications do you possess that might be an asset to HRCA?

I am a social worker who worked for four years supporting students at Mountain Vista High School. I have lived in Colorado my entire life and have lived in Highlands Ranch since 2003. I've raised two children in Highlands Ranch, the youngest will graduate from Mountain Vista this May. As a social worker, I am very community focused and attentive to how decisions affect the wider system.

Briefly state your reasons for wanting to be a District Delegate for the HRCA.

Now that my children are older I find myself with more time to try to impact my direct community, which is something I've always been interested in. I would like to be a district delegate both because I would like to have a better understanding to the issues our community is facing and also because I would like to be active in addressing those issues.

Do you or anyone in your household use the HRCA facilities or participate in HRCA programs? If so, please elaborate.

Yes, my entire family utilizes the recreation centers regularly. We are regular attendants of all four pools, we use the work out equipment, and over the years we have taken part in many of the classes offered.

Do you attend HRCA Events? If so, please explain your favorites and why.

My family has a family tradition of attending the summer ice cream social. I love the community atmosphere and how that event feels like a way to bring the entire community together to celebrate summer. We also enjoy the farmers market during summer weekends and when my children were younger we regularly attended Hometown Holiday. What do you like most about living in Highlands Ranch?

Highlands Ranch feels safe and life moves at a slightly slower pace here. Nothing feels rushed and there is room to move around. I love the open space and the trails and I also love the community offerings through the Highlands Ranch Community Association.
