Summarize your background and community involvement. What, if any, qualifications do you possess that might be an asset to HRCA?

I have served on several committees that are central to district 82 and allow me to connect with many residents of the district. Cougar Run Elem - PTA President and VP for 6 years. Current community member of the Cougar Run Accountability Commity. Member of several other booster clubs and commities for several other local schools. I also host the community Facebook page for our subdivision and host several holiday and community events in the neighborhood that bring in food trucks, fire trucks, santa and more.

Briefly state your reasons for wanting to be a District Delegate for the HRCA.

I talk to so many people within the district that I believe I have a pulse on the interests and feelings of the community. I also enjoy meeting people and finding ways to meet or fulfill people needs. I have also wanted to expand our holiday events and summer park events to build community and a better understanding of our HOA may help.

Do you or anyone in your household use the HRCA facilities or participate in HRCA programs? If so, please elaborate.

My family and I use the REC centers for classes, exercise and pool time. We use the pickle ball courts and have enjoyed several events over the years. We also use the park pavillions for birthday parties and happy hours.

Do you attend HRCA Events? If so, please explain your favorites and why.

The 4th of July parade, Taste of, October Fest and the Canned Coctail Event. Several of the craft fairs too. We enjoy concerts at the parks the most.

What do you like most about living in Highlands Ranch?

I love that this community is a large, spacious community, yet feels connected and provides lots of exciting restaurant and attraction options. We have outdoor space unlike most communities in Denver, yet have so much urban attractions, great schools and cool events that bring us together.
