# SCAM ALERT

- Don't be scammed by fake “event postings.”
- We will never ask you to pay for an event through a Facebook-only link.
- Let your gut be your guide, if it seems suspicious, it likely is.
- If you have questions, seek out the HRCA event host.
- Save all correspondence with the scammers.
- If you believe you were scammed out of money, report it to the Douglas County Sheriff's Office right away.
