

Eco Explorers Summer Packing List

Below you will find our recommended packing list of what to wear or bring to Eco Explorers in order to be prepared and safe. We recommended that your child wear comfortable, well used clothing; this is especially important for boots. Synthetic gear and wool socks tend to do best in our active outdoor setting. **Please write your Eco Explorer's name on everything that you send with them.**

We want your child to feel empowered and prepared, so we encourage you to pack their backpack with them so that they know what they have available to them to take care of themselves.

- Daypack** – backpack with good shoulder straps and large enough to carry all of the below belongings

In Daypack:

- Snack** – pack a large, healthy snack; we encourage the use of reusable containers
- Reusable water bottle**
- Extra layer**
- Rain jacket**– if there is any chance of rain in the forecast

On Camper:

- Comfortable clothes**
- Hiking shoes or sneakers**
- Ball cap or bucket hat**
- Sunscreen already applied**
