

ROCK GARDEN

This raised xeriscape garden is in full sun and visible from all sides. The boulders, native grasses and “evergreen” plants, Bluestem Joint Fir, Mock Bearberry and Parry’s Century Plant, give this garden plenty of winter texture and interest. A native Cowboy’s Delight (Sphaeralcea coccinea) meanders thru the garden. Spring bulbs of Tete A Tete Daffodils, Crocus, and small species tulips add extra bloom time, and TABLE MOUNTAIN[®] ice plant will bloom in November on our warm ‘Indian Summer’ days.

PLANT LIST:
Plant Select[®] plants are in bold
