

Climbing Wall Birthday Party:

Prices: **Number of Participants: Up to 10** **Price: \$190**

Price includes: An hour and a half in the wall area, staffed with two climbing instructors, where children will be fitted with harnesses and allowed to climb. Then, we supply the cake (theme to be chosen by your child from an assortment available at King Sooper's), punch, paper plates and cups, napkins, plastic and utensils. All served in an upstairs party room, where a staff member will be available to help with serving, clean up, etc.

Available Times: Parties may be reserved for any Friday evenings 4pm-8pm, Saturday or Sunday (10am-2pm), Simply complete and bring the form on the back of this page, along with a check made out to HRCA for the full amount (\$190), to the Rec. Center at Eastridge. Reservations are based on a first come, first served basis, and on room availability, and staff. Parties run for two hours.

- Important:**
- 1) All participants in a climbing wall party must be at least 7 years old.
 - 2) The parent or legal guardian of each participant must complete and sign, on behalf of their child, a Waiver, Release, Covenant Not to Sue and Indemnity Agreement. If a child arrives without a Waiver, or if the Waiver has not been properly completed, **the child will not be allowed to climb**. An ample supply of these documents is available at the Eastridge Rec. Center. You may want to consider sending them along with the invitations.
 - 3) The ratio of children 12 and under to non-staff adults may not exceed 5:1 in the wall area. Consequently, if there are 10 participants 12 and under, there must be at least 2 non-staff adults in attendance during the climbing wall portion of the party.
 - 4) The birthday party is an exception to the general rule that one must go through the Climbing Wall Orientation Class in order to use the wall at Eastridge. However, participation in a climbing wall birthday party does not constitute having gone through an Orientation for purposes of future use of the wall. If a birthday party participant has not attended a regularly scheduled Orientation and wishes to use the wall at some point after the party, they will still be required to attend an orientation at the Eastridge HRCA climbing wall.
