Summarize your background and community involvement. What, if any, qualifications do you possess that might be an asset to HRCA?

I am an Administrative Patent Judge, and before that was a partner in a large 250+ attorney law firm specializing in intellectual property (patent, trademarks, etc.). I am an active volunteer at my church; currently a primary teacher, but I have also served as president of our men's service organization and before that was on the regional board of directors. In that role I oversaw the auditors who conducted the annual financial audit of the 6 congregations in our area.

Briefly state your reasons for wanting to be a District Delegate for the HRCA.

I have loved living in Highlands Ranch for the past 8 years. I just finished the Highlands Ranch Citizen's Academy run by the HR Metro District and I want to be a more active volunteer in our community. I especially want to volunteer while my children are still here actively using the rec centers and other facilities.

Do you or anyone in your household use the HRCA facilities or participate in HRCA programs? If so, please elaborate.

We regularly use the pools, cardio equipment and weights. We occasionally use the climbing wall, racquetball and tennis courts, and saunas. My children in recent years have been involved in the basketball leagues, tennis lessons, and dance lessons, among other things. One of my daughters was also a lifeguard at Southridge until 2022.

Do you attend HRCA Events? If so, please explain your favorites and why.

Yes, my boys and I love the classic car show. We have watched the 4th of July parade every year we have been here, as it is a great start to the holiday. We also enjoy attending concerts on the green at Civic Green Park.

What do you like most about living in Highlands Ranch?

The good people. Also, the open space, with great access to trails at backcountry and wildcat mountain.
