

## Program Cancellations/Weather Policy:

Preschool will have class unless Douglas County School District-Highlands Ranch Area Schools are cancelled. Please listen to the radio stations for school closure information. There will not be a separate listing for the HRCA Preschool on the news. A Tadpole text will be sent to notify you of a closure. If Douglas County School District-Highlands Ranch Area Schools are on a delayed schedule morning classes will be cancelled and Enrichment will be on a delay. In the event weather conditions deteriorate during the course of the school day, we will initiate closure procedures by contacting parents. As always, we respect a parent's decision to keep their students home, if necessary. No adjustment in tuition will be made, however. Enrichment will follow the same guidelines. Visit [DCSD Snow Day Information](#) for closures and delays. Refunds are not issued for inclement weather.
