FEATURED ATHLETES & VOLUNTEERS OF THE MONTH

Athlete of the Month: Kayley P.

Our April Athlete of the Month is Kayley P! Kayley is 14 years old and is in the eighth grade at Campus Middle School. Her favorite class is Art. Outside of school, her leisure interests include swimming, jewelry, and singing. She does swimming and sports camps with Therapeutic Recreation, and she tells new athletes, "Never give up, just try your best." Kayley's goal for 2019 is to try things she has never done.

Congratulations Kayley on being April's Athlete of the Month!

Volunteers of the Month: Spring Break Sports Camp volunteers

Our April Volunteers of the Month are the Spring Break Sports Camp volunteers. This camp we had nine participants and four volunteer coaches. We played hard and had fun! Thank you Teagan, Claire, Matt, and Krishna for making these two days such a success. We could not have done it without you!
